The EuroStyle 260

From Wirraway "Australia's Most Innovative Motorhomes"

Automatic - Remote Locking Drawers

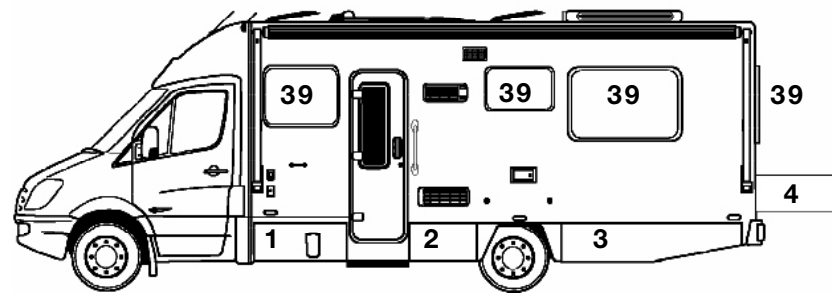

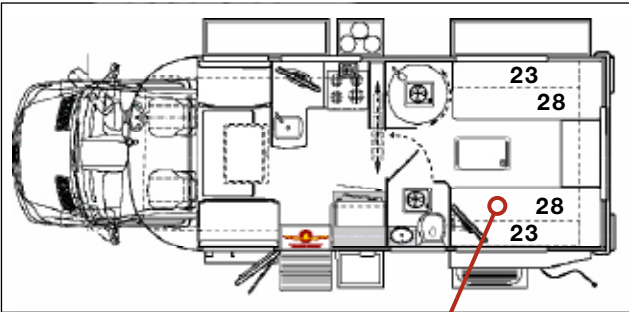

When you enter your vehicle, there's a "Key tab" to select and open any one or all 7 storage drawers / service lockers. Once remotely activated the drawer system looks after itself by automatically releasing and activating the pneumatic opening mechanism that unlocks and extends the drawer for you at waist level. Each drawer has a Locking Lid that doubles as a tabletop or convenient workbench, refer to illustrated items 1 - 7 below.
